For: WIRE MEASURING SYSTEM

In response to the petition received on March 1, 2004, to withdraw the holding of abandonment in the above application.

The petition is Granted.

The above-identified application became abandoned for failure to reply with the meaning of 37 C.D.R 1.113 in a timely manner to the Notice to File Corrected Application Papers mailed June 20, 2001. Which set forth a shortened statutory period for reply of two months. Accordingly, the above-identified application became abandoned August 21, 2001.

The evidence submitted is sufficient to establish that the petitioners never received the Notice to File Corrected Application Papers mailed June 20, 2001.

The application will be completed with the documents received on March 1, 2004, for release to Technology Center 2859.

Telephone inquiries concerning this application may be directed to Doshie E. Day (703) 308-3640.
